

Workshop coming soon

Title: **The Importance Of
NETWORKING**

Release: 1-1.45pm, Tuesday, 2nd August 2005
Blakers Lecture Theatre (Maths Building)

Length: 45 minutes + question time

Genre: Presentation

Director: **Emma Vyle**
Careers Advisor from UWA Student Services

Distributor: UWA IEEE Student Branch

Trailer: Experts say the vast majority of job vacancies are never advertised. This is known as the “hidden job market”. Networking is a powerful way of tapping into this type of job market. Through the workshop, the key steps to successful networking are laid down ahead of you. YOUR QUEST begins here...

Your future is waiting for you!
