

2007 Fulbright Postgraduate Award in Science and Engineering

Sponsored by

To undertake a study or research program in the United States
Valued up to \$A40,000

The award is open to Australian citizens to undertake postgraduate research or study in Science and Engineering in the United States towards an Australian higher degree, or enrolment in an American higher degree. Applications are invited from postgraduates and graduates who have an interest and commitment to a career in Science and Engineering.

The program of study can commence any time between 1 July 2007 and the 30 June 2008.

Fulbright Awards include:

- National Orientation Program and a Formal Awards Dinner
- Enrichment Seminars in the United States with international Fulbright Scholars
- Distinguished professional network with U.S. and Australian Fulbright Alumni Associations
- A support agency in the U.S. that assists with visas, events, and networks
- A J1 visa that allows Fulbright Scholars to work in their field in the U.S. for a further year following their study
- Media support and publicity

Current Australian Postgraduate Scholarship holders are encouraged to apply as they can now put their Australian PhD on hold to undertake relevant international research experiences.

Applications close 31 August 2006
