

Algorithm Category

To register visit <http://imagine.thespoke.net> Registration opens October 7th 2004

If chosen the winners will be flown to Japan, Yokohama to the worldwide finals.

Prize Money

- First Place \$8,000 USD
- Second Place \$4,000 USD
- Third Place \$3,000 USD

The Algorithm Invitational takes competitors through a series of brain teasers, coding challenges, and algorithmic puzzles, and seeks to engage the sharpest student minds in technology.

General Guidelines

- Individual competition
- The top 200 scorers in the first round move on to the second round
- The second round is a take home coding challenge
- 6 individuals advance to final competition in Japan

Requirements

- Take-home challenge coded using one of the .NET family of languages (C#, VC++, VB .NET, or J#)

Deliverables

- Round one - none
- Round two - source code, compiled binary
